

## HOG MARKET STEADY

This Market Held Up the Best of All.

TOP PRICE WAS \$5.10

Cattle Market Drags Along in Same Rut.

The Wichita hog market held its own about the best of the western markets yesterday. By reference to the dispatches it will be seen that 5.10 was the rule, while here the market was steady to be lower. The best hogs here brought steady prices, while the common grades sold for lower. Doherty and Armour all brought hogs, the former taking the bulk of the offerings. The packers seemed anxious for more hogs. They bought everything in sight and brought hogs reported to arrive late in the night.
